Teaching Design in a Global Context
Hello...
All things in my life are about what I’ve come to embrace as this idea of design.
Baltimore
I truly understand and appreciate the importance of quality education.
I spent a lots of time thinking, imagining, pretending, playing.
My high school teachers saw something in me, that I was unaware of... potential

What I learned...
Students do more with less...
Students do more with less...
Be prepared... for anything
Sink
 Missing
Be understanding...
Break down barriers...
Be patient...
Be diplomatic...
Try to learn their names...
Jenny or Yi Zhang
Go out to eat...
As for our students...
Do you really...?
Why don’t you use...?
G.W. Bush was not my fault.
It’s not okay...
Don’t show surprise...
What did they gain?
I expanded my range...
I grew as a person...
I have empathy...
I found new friends...
I found my sense of self...
